Planned activities of APWF

Stockholm World Water Week (WWW), 17-23 August 2008 "Progress and Prospects on Water: For a Clean and Healthy World"

1. Side Event on Tuesday, 19 August 2008

Mr. Ravi Narayanan as a representative of APWF will report results and follow-up of the 1st APWS in the evening side event on the Asia Day, in which ADB, together with several Asia-Pacific partners, will lead a day-long session of technical presentations and discussions that will present Asia's experiences, and identify solutions that will address the challenges of managing water resources in river basins.

2. Exhibition

APWF activities such as outcomes of the 1st Asia-Pacific Water Summit will be exhibited in the APWF booth.
